Hi Jeff,

Lynn Kunzler asked me on March 17th to send you some information on re-titling the CD. I just wanted to send you a line explaining that I am trying to get information from Wells Fargo bank, which has been difficult. I will send you all the information that you need once I receive the information from Wells Fargo. I'm sorry for this inconvenience. If you have any questions please call 801-538-5291 or email. Thank you.

Penny
